STRATEGIC AND CREATIVE MARKETING COURSE PROJECTS

FITLINK

January 2025 – May 2025

- Performed preliminary research (quantitative and qualitative) to develop an application designed to help young adults connect at the gym and track personal health goals
- Utilized Figma software to create an interactive prototype, demonstrating key user interactions, interface elements, and core app features
- Developed and iterated 80+ wireframes in Figma to visualize user flows and optimize interface efficiency
- Produced a promotional video highlighting need for app, emphasizing value and relevance to academic, social, and personal development across campus and beyond

Touch Grass

August 2024 – December 2024

- Launched and operated a college student-focused initiative promoting reduced screen time, increasing outdoor engagement to support mental well-being and healthier lifestyle habits
- Integrated market research and financial analysis to create a strategic positioning plan, fundraising \$983 towards Active Minds, a nonprofit dedicated to supporting college mental health initiatives

PROFESSIONAL EXPERIENCE

Amazon

Ontario, CA

Area Manager Intern

June 2025 – August 2025

- Launched new process for Ships In Own Container (SIOC) shipments in the largest Amazon warehouse in the United States
- Focused on optimizing packing efficiency for customer shipments through associate coaching and ergonomic improvements, increasing overall SIOC efficiency by 47.51%
- Staffed, coached, and managed 40 – 60 associates daily to ensure safety, quality, and productivity targets were achieved
- Launched an associate performance recognition program to recognize six associates each quarter across all departments to boost associate motivation and commend those who have gone above and beyond

Plante Moran

Chicago, IL

Tax Intern

June 2024 – July 2024

- Prepared Form 990 and Form 1099 returns using CCH Axcess and Caseware software, adhering to GAAP principles
- Broadened industry exposure through participation in client engagements and coffee chats with staff members
- Created and delivered a presentation to an audience of over 40+ partners, staff members, and interns summarizing personal and professional growth over the internship

Loyola Marymount University, Office of the Provost

Los Angeles, CA
